

Constitution: San Antonio Community College

Name of Organization: The Navigators

Purpose of Organization

The Navigators exists to provide regular opportunities to study and discuss the Bible, worship, and pray, all in a group setting, which also provides opportunities for fellowship, encouragement and spiritual development among members. We resource the student body by offering opportunities to discuss spiritual matters and provide materials in the form of outside speakers, etc. all for their benefit and consideration.

Membership

The Navigators has an open-door policy. All members of the San Antonio Community College, as well as any interested persons San Antonio Community College, are welcome to attend the Bible studies and meetings. There are no “members” in the sense of meeting requirements or being accepted into membership.

The Navigators was formed by Christians who agree in their belief that man’s only access to God is through Jesus Christ and faith in His deity, His death as full payment for man’s sins, and His resurrection. While this is the foundation for the Bible study, those holding other beliefs are welcome to attend.

Officers

The Navigators does not have officers. There will be a steering committee for the purpose of financial responsibility and communication with San Antonio Community College administration. These persons are named in a separate document. At the end of the academic year, those steering committee members who will graduate from San Antonio Community College will, in group conference, select successors to be named to the committee. Selection will be based upon an appointment by the steering committee at the last Bible study in the spring semester, and agreement by those selected.

Meetings

The Navigators will meet each week on campus at a time and place as yet to be determined. Additional prayer meetings and steering committee meetings will also meet on campus. Additional special meetings or activities will be arranged informally through personal communication through the posting of flyers on the School campus.

Finance

To date, the organization has not requested San Antonio Community College Student Activity funds. Student Activity funds may be requested through procedures established by the Office of Student Life.

By-Laws

Due to the unstructured nature of The Navigators and its purpose, which is unlike most other student organizations, by-laws are not seen as appropriate or necessary.

Steering Committee Practices

The Navigators headquarters reserves the right to review and revise the SAC chapter’s constitution, steering committee practices, meetings and other related leadership positions from time to time as deemed just and necessary. The Navigators at SAC will adhere to the stated purposes of the organization, and objectives and statement of faith.
