## Navigator Staff Sales Program

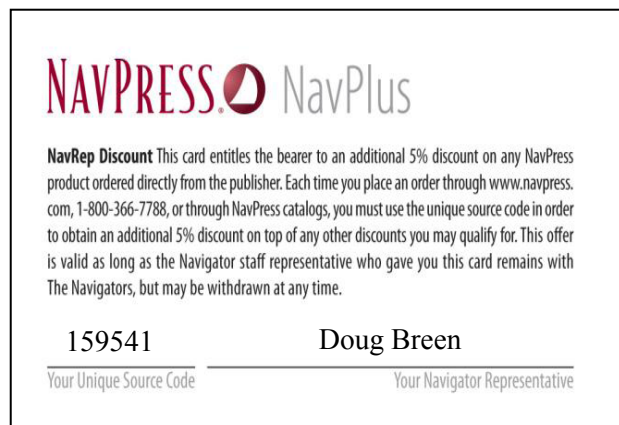

### How to place a discounted order using NavPlus:

1. As NavPlus members, Beth Ann and I extend our NavPlus discount to you as our friends, whether you're a family member, a ministry partner, a chaplain, a church pastor, or just someone we love!
2. When you place an order directly with NavPress, you must indicate our NavPlus source code to get your additional 5% discount. (For online orders, this is the coupon code.)
3. Orders can be placed directly with NavPress by any method that accepts a source code (Internet, phone, email, catalog order form).
4. For online orders: When a valid source code is used, the system will automatically calculate the 5% discount. If you are already entitled to another NavPress discount or have another coupon code, enter that code first, then enter into the same field our Nav-Plus Source Code. This automatically adds an additional 5% discount on top of your normal discount when applicable.  
(Read on for examples of other possible discounts.)
5. Submit the order to be processed and filled.
6. The product is then shipped directly to you, the customer.

### How using NavPlus Funds Ministry:

We will receive a 10% credit of your net order which will be calculated and transferred quarterly to our income account. NavPress will hold credits under \$25 and accumulate them to be transferred in a future quarter when totaling \$25 or more.

### How using NavPlus Saves You Money:

Customers who place an order directly with NavPress using our unique code will receive an additional 5% discount on top of the normal discount they would receive from the sales channel they select. This discount is effective on all products including closeouts and specials (e.g. an Internet sale will get 10% plus 5%, telephone sale will get 5%, a registered church will get 30% plus 5%, etc..).

With NavPlus, You'll Save  
(an Additional 5% on top of  
any other claimable discount)  
and You'll be Funding  
Ministry at the Same Time!
