

Unswerving Hope ~ serving the Lord at the UofA

Episode 5 – Planning for the Future

Proverbs 21:1

**The king's heart is in the hand of the LORD;
he directs it like a watercourse wherever he pleases.**

RYAN

This has been quite the season of change. One year ago I graduated, six months ago my fiancée became my wife, and God has since given and taken away opportunities as we press on to discover where the Lord is leading us in this next stage of life.

We are both **excited** and **confident** that the Lord has led us to remain on staff with the Navigators at the **UofA for the next 2 years!** When praying about this decision, II Corinthians 5:15 kept coming to mind:

*And he [Christ] died for all, that those who live **should no longer live for themselves but for him who died for them and was raised again.***

Both out of my **desire** and **obedience** I want to live for Jesus, who died for me. I believe college students are so important because they are at possibly the **most influential** times of their lives, and because they will be the **future leaders** of churches, society, and the world.

ARIEL

As Ryan said this past year has been a season of change. Finishing nursing school, finding a job and planning a wedding at the same time was stressful yet so rewarding.

This next year I will be working at University Medical Center in Tucson as a pediatric nurse, as well as helping Ryan. It is a **joy** to be married to the man who has stolen my heart and to work by his side in ministry with the Navigators.

It is my desire to see my **generation** of college women wholeheartedly **devoted to Jesus** and His word. Psalm 112:6-7 has been on my heart this year:

"Such a [righteous] woman will not be overthrown by evil circumstances. God's constant care of her will make a deep impression on all who see it. She does not fear bad news, nor live in dread of what may happen. For she is settled in her mind that Jehovah will take care of her" [personified for women].

Please be praying the senior women will graduate with this impressed on their hearts.

HOW YOU CAN HELP

Financial

What this means for us is we need to **re-raise a significant portion of our budget by August 1st** in order to be on campus full-time. Would you prayerfully consider joining our monthly support team at **\$50-100 a month**, or giving a **one-time gift of \$1000 to \$5000**? Of course, gifts of any size are greatly appreciated.

Prayer

Please be praying we would meet our budget for this next year. Also, please keep in your prayers Daniel, Micah, Reed, and Matt, some of the students in the ministry, as they strive to seek after the Lord this summer. Historically summers have the potential to be incredible times of growth, but can easily become times of idleness, isolation, and immorality.

For the King,

Ryan and Ariel Mullarkey
