*“You shall remember all the way which the Lord has led you
all these forty years...”* Deuteronomy 8:2

Dear Friends,

We have had the privilege of participating in many Navigator reunions representing major milestones in our lives—the Midwest, Malaysia, Indonesia, and most recently, the fortieth anniversary of the Overseas Training Corps.

In June of 1965 twenty-five men (and one wife) flew from New York to Brussels (see back page). Seven drove to Beirut. The rest of us went to Oslo and teamed up with European Navigators for a two-week training program. We spent our evenings witnessing at a coffee house called the “Captain’s Club” and 140 accepted Christ. Jack Combs and I got to stay in Norway for another six months to do follow up. During that time, the Lord confirmed his call for me that led us to two decades in Southeast Asia.

Jim Downing says that “remember” and “worship” are parallel words in the Bible. Reunions have helped us reminisce on what God has done, and amidst tears and laughter to give him the glory. We are thankful for the part you have had in our journey through your prayers and financial investment.

Rejoicing,

PS: Our fiscal year ends August 31. If you would like to send a special gift to help us finish the year up to budget please go to www.paulhensley.net and click on “contribute.”
