SERVING WITH THE NAVIGATORS®

Dear Praying Friends & Family,

I apologize I have not kept you informed of our ministry and family since this past spring. Marsha, Elisabeth and I are well and encouraged. Our finances are improving and Elisabeth finished her second degree (her first being an A. A. in Paramedic Medicine), a B.A. in History, and plans to pursue a Masters in Linguistics with an emphasis in Japanese. Marsha & I continue to minister at the US Naval Academy, primarily discipling among African Americans and other minorities.

The Mids continues to be growing and eager, relating as a family.
Marsha & I meet with 10-15 each week for personal discipleship and mentoring.

We have a 12-person leadership team this year, most shown above. Please pray for Rachel, Greg, Chris, Jenne, Greg, Brandon, David, Michelle, Brandon, Mike, Raychel, and Johnathan to be unified and lead well.

We had a good Plebe Summer seminar with the incoming class of 2015! LT's Ebony Pierre & Devin Dunson (shown above) & ENS's Cherie Molett & Frank Robeson helped lead the weekly discussions.

And, we had a wonderful Fall Discipleship Conference!

Our theme this year is from Ephesians 6:10-20 about Putting on our Spiritual Armor daily!

In addition, we continue to do a lot of pre-marrige counseling, we are developing our Naval Academy graduate network ministry, serve on our area Metro Leadership Team, serve on our Navy Branch Leadership team, serve on our Regional Cross Missional Team, and serve on the African American Network Advisory Council. All of these require time, energy, and travel.

Finally, we love you all and wish we could see and talk to each of you! You are each precious in our memories. Please call or visit us anytime.

Please pray:

1. For the USNA-TCF leadership team
2. for the Plebes to connect to the "family"
3. for significant discipleship to take place in the lives of all the Midshipmen
4. for our grads to be growing, relating with one another, and fruitful in their personal ministries
5. for our finances to continue to be sustained
6. for health and energy to serve locally, regionally, and nationally.

Soli Deo Gloria,
mike
