SERVING WITH  THE NAVIGATORS®

*News from The Brook!
US Naval Academy*

March 2011

This is a picture of our All-Navy Branch Conference with 123 in attendance!

We are praising God for all he continues to do in and through us here at the Naval Academy and beyond! Our two weekly meetings have between 100-120 midshipmen involved with us in discipleship. We expect to graduate another 20 who will go out into the Navy and Marine Corps this coming May/June.

Here are some of our mids leading worship at the conference!

The tall male is Midn 4/C Jonathan Thornton. He and I have started to meet weekly to study the Bible together and help him grow in his personal walk with Christ as a midshipman. He is also a part of our leadership team, right now as a "member-at-large" being developed for future leadership responsibilities. Please pray for Jonathan.

Soli Deo Gloria,
mike
