

Fall 2010

Happy Thanksgiving! We are so thankful!! Much has happened in Annapolis this Fall!

We had a great start to the academic year with the USNA Navs Triad Christian Fellowship (TCF) group! Thanks be to God, the group has grown steadily from 3 African American midshipmen in 2005 to 70+ in 2010! Our theme this year is "In The World Not Of It" from **John 17:14-21**.

And, we took 39 Mids and 8 Grads away for a spiritual growth weekend conference on "Living & Ministering in the Power of the Holy Spirit" in October (right). It was a great weekend and we continue to help them work it out in real life both at the Academy and on active duty!

This past year has also seen an increase in the use of our home, "The Brook", for ministry on weekends when the mids have "liberty", their families stay over, and the Grads come to visit. In addition, we host leadership team meetings, Bible studies, life development, rest & refreshment, (pre)marriage counseling, and fun!

Thank you for your partnership with us! As you pray and give financially, we are enabled to **give ourselves completely** to this strategic cross-cultural discipling ministry. Due to the recession and additional monthly expenses from our expanded home ministry, we have great financial needs as we approach the end of the year. Would you prayerfully consider sending us an end-of-year gift and/or becoming a regular financial partner? We need \$15,000 one time and \$2000 monthly to get sound. You can give on-line, by phone, or by mail. The enclosed info slip gives directions.

We are excited about the future as we seek *"to advance the gospel of Jesus and His kingdom into the nations through spiritual generations of laborers living and discipling among the lost"* ... **From the Yard ... into the Nations!** Thanks for colaboring with us!
